Solid Wood floor

There is no other flooring that reflects the natural properties of a real wood floor as perfectly as the solid planks and parquet manufactured in our factory. This traditional type of plank has been used for interior floors for centuries because of its timeless beauty. The floor is suitable for use in domestic living spaces as well as for larger areas.

We have a wealth of experience in finishes for almost every type of wood. You can choose between brushing, oiling and lacquering to show off the natural beauty of the wood. Since we have our own factory, we can also create stairs and skirting for you that also match your floor.

Obtained from domestic
European forests.

In this case, Futura Floors GmbH is only liable for the foreseeable, contract-typical damage. Futura Floors GmbH is not liable for the slightly negligent violation of obligations other than those mentioned in the previous sentences.
- 8.2 If the cause of the damage is based on an intentional or grossly negligent breach of duty by Futura Floors GmbH or a legal representative or vicarious agent of Futura Floors GmbH, Futura Floors GmbH has unlimited liability.
- 8.3 Claims under the Product Liability Act, due to a defect after assuming a guarantee for the quality of a product or in the case of fraudulently concealed errors and damage to health, limb and life as well as claims already arising from negligence at the time of contract negotiations at the time of inclusion of these conditions remain from the foregoing Limitation of liability unaffected.

§ 9 Retention of title

- 9.1 Futura Floors GmbH reserves the ownership or the right to the purchase of the sold goods until the purchase price has been paid in full.
- 9.2 The customer is obliged to immediately notify Futura Floors GmbH of third-party access to the goods subject to retention of title, for example in the event of attachment or damage as well as the destruction of the goods.
- 9.3 If the customer behaves contrary to the contract, in particular if the purchase price is not paid, Futura Floors GmbH is entitled to withdraw from the contract in accordance with the statutory provisions and to demand the goods back. If the customer does not pay the purchase price due, Futura Floors GmbH may only assert this right if Futura Floors GmbH has previously unsuccessfully set a reasonable payment deadline for the customer who is a consumer or if such a deadline can be dispensed with in accordance with the statutory provisions.

§ 10 Limitation

- 10.1 For consumers, the general limitation period for defects and claims for damages is 2 years from delivery. If an acceptance has been agreed, the limitation period begins with the acceptance.
- 10.2 This does not affect statutory special regulations on limitation, in particular in accordance with Section 438 (1) No. 1, No. 3 and Section 3 of the Ger-

man Civil Code, Sections 444, 479 of the German Civil Code, Section 634a (1) No. 2 of the German Civil Code and in cases of injury to life, limb or health, within the framework culpable liability in the event of intent and gross negligence as well as claims for damages under the Product Liability Act.

- 11.2 The customer has the right, upon written request, to be informed of the personal data stored about him

§ 12 Applicable law, place of jurisdiction, online dispute resolution

- 12.1 The law of the Federal Republic of Germany applies to these Terms and Conditions and our contractual relationships with the customer, excluding the UN Sales Convention.
- 12.2 If the customer has placed his order as a consumer and is habitually resident in another country at the time of his order, the application of mandatory legal provisions of that country remain unaffected by the choice of law made in sentence 1.
- 12.3 The European Commission provides a platform for online dispute resolution (OS), which the customer can access at <http://ec.europa.eu/consumers/odr/>. The seller is not willing or obliged to participate in dispute resolution proceedings before a consumer arbitration board.

II. General terms and conditions for entrepreneurs (AGB-U)

§ 13 General, supplement to § 3 offers, conclusion of contract, right of withdrawal

- 13.1 The following General Terms and Conditions for Entrepreneurs (AGB-U) only apply to entrepreneurs within the meaning of Section 1 No. 1.2 Clause 2. The AGB-U supplement the above provisions in Section I. of the AGB-K and take precedence if and as far as the AGB-U contain different regulations.
- 13.2 In the context of an ongoing business relationship, the AGB-K and AGB-U according to § 13 No. 13.1 are also part of the contract if Futura Floors GmbH has not expressly indicated their inclusion in individual cases.
- 13.3 If the customer is an entrepreneur, a contract is concluded if Futura Floors GmbH accepts the customer's offer in a reasonable time either by a declaration of acceptance or by delivery of the goods. (Deviation from § 3 No. 3.3).
- 13.4 If the customer is an entrepreneur, he has no right of withdrawal. (Deviation from § 3 No. 3.6)

§ 14 Supplement to § 4 packaging, shipping, delivery, transfer of risk

- 14.1 If the customer is an entrepreneur, he bears the customary costs for shipping and packaging the goods, unless otherwise agreed; Section 4 No. 4.1 Sentences 2 and 3 are not applicable. (Deviation from § 4 No. 4.1)
- 14.2 The customer and Futura Floors GmbH make a separate agreement with regard to additional costs arising from partial deliveries or partial services (deviation from § 4 No. 4.7 sentence 2).
- 14.3 If the customer is an entrepreneur, the risk of accidental loss and accidental deterioration of the goods at Futura Floors GmbH's warehouse passes to the customer: (i) upon delivery to the customer; (ii) in the case of a mail order purchase with the delivery of the goods to the freight forwarder, the carrier or to the person otherwise designated to carry out the shipment (deviation from Section 4 No. 4.8)

§ 15 Supplement to Section 5 Prices, Payment

- 15.1 In legal transactions in which a consumer is not involved, the interest rate for payment claims is 9 percentage points above the base interest rate. (Deviation from Section 5 No. 5.7)

- 16.1 If the customer is an entrepreneur, he must check the goods for any defects immediately upon receipt and immediately notify existing defects in text form. Hidden defects must be reported in text form immediately after their discovery. If he does not meet one of the above obligations, he loses all claims arising from and in connection with a defect, unless Futura Floors GmbH has maliciously concealed the defect. (Deviation from § 7 No. 7.1)
- 16.2 The entrepreneur bears the full burden of proof for all claim requirements, in particular for the defect itself, for the time of its creation and the determination of the defect and for the timely notification of the defect. (Deviation from Section 7 No. 7.1)
- 16.3 Futura Floors GmbH is only obliged to provide replacement deliveries from contracts with entrepreneurs in the context of subsequent performance. In this respect, Futura Floors GmbH is not obliged to reimburse expenses (deviation from § 7 No. 7.2).
- 16.4 Recourse by the entrepreneur to Futura Floors GmbH due to expenses (§ 7 No. 7.2) that the entrepreneur has to bear in relation to his customer due to a defect for which Futura Floors GmbH is responsible is excluded insofar as the entrepreneur's obligation towards his Customers are not based on a mandatory liability of the entrepreneur due to the legal regulations on the sale of consumer goods. § 8 remains unaffected even if the contractor's recourse against Futura Floors GmbH is not excluded according to the preceding sentence. (Deviation from § 7 No. 7.1)
- 16.5 For entrepreneurs, the warranty period is 1 year from the transfer of risk. This does not include claims for damages due to injury to life, limb or health and / or claims for damages due to grossly negligent or willful damage caused by Futura Floors GmbH. Also excluded are the recourse claims not excluded according to § 16 No. 16.4. (Deviation from Section 7 No. 7.1)
